August 29, 2008

Dear NSSP Advisors,

We are extremely excited to kick-off the 2008-2009 NSSP school year. Thank you for your participation, together we can make this an adventurous and enjoyable educational experience for our NSSP students.

September is going to be NSSP membership drive month. There will be a \$15.00 membership fee for students to join. Student members will receive an official NSSP t-shirt, NSSP newsletter and 5 chances at the grand prize, a 14' Triton Boat with a 9.9 Mercury Motor and a trailer, and 9 other prizes to be given away. **The NSSP member that sells the winning membership/partnership drawn for the grand prize will receive a 12 ft. aluminum boat with a few extras (see attached sheet for more information).** Any chapter that sells at least 15 student memberships will receive a personalized chapter NSSP banner. If you have not already done so we ask that you elect your officers and hold your membership drive. For your convenience we have posted on the NSSP website a printable version of the school contact sheet, membership poster, officer roster and membership roster. Once those forms are completed please send to the NSSP Headquarters. All membership information may be found on the web at www.nsspoutdoors.org. We would like for each of our advisors to have an NSSP polo shirt. Please e-mail your size to info@nsspoutdoors.org.

Reid Howell, NSSP Executive Partner and Certified Firearms Instructor is the featured speaker in this month's DVD meeting. Reid explains how to choose the right ammunition for your firearm and some of the differences in various types of ammunition.

Good Luck from all of us at the NSSP Headquarters! Please contact us either by e-mail at info@nsspoutdoors.org or by phone 1-800-731-2905 if there is anything we can assist you with. Also, be sure to check out the website at www.nsspoutdoors.org for weekly updates.

Sincerely,

Cliff Flournoy, NSSP President
Matt Bryan, NSSP School Coordinator
